## **City Commission - Agenda Memo**

Meeting Date: August 2, 2016

From: Cheryl S. Beatty, Assistant Manager/Finance Director  
To: City Commissioners and Allen Dinkel, City Manager  
Subject: **2017 Budget Work Session – To Finalize 2017 Budget**

---

**Objective:** To finalize the 2017 Budget.

**Explanation of Issue:**

The 2017 Budget was drafted and reviewed by the City Commission in multiple budget work sessions. This budget was based on the following targeted goals:

1. Maintain services.
2. Fiscally responsible while providing quality services, protect infrastructure, and address capital needs with little or no mill levy increase.
3. Maintain general fund funding for street maintenance.

At the last work session we discussed options for reducing the preliminary budget so the City would maintain the same mill levy as 2016. We finally received the NRP numbers on July 29 and the open enrollment for employee benefits was completed. So we were able to finalize the budget today.

The following major changes occurred since our last work session:

1. The City Commission salary was set at \$500 per month.
2. The new Assistant Golf Superintendent was removed.
3. All payroll adjustments for benefits was completed.
4. Input errors were corrected.
5. Final budget request was received from Library and was adjusted.
6. The delinquent computation rate was reduced from 3% to 2.5%.
7. The estimated NRP at \$6.5 million was increased to \$6,692,944.

As you can see on page 1A, the mill levy estimate shows 48.089, which is a 0.375 mill levy increase. The final mill levy will decrease if the final mill valuation in October is higher and will increase if the final mill valuation is lower than the estimated value provided by the Geary County Clerk.

**Staff Recommendation:** The above goals were met and we request approval to publish the budget as presented.

If the City Commission wishes to decrease the budget further, we are open to your recommendations.

Once the budget is published you may lower the budget, but you may not increase it.
